“ *Flora had such an extended family, so my message is to you all, but especially for Billie, Sally, Pat, Doug and Trudy, because I have such fond recollections of our youthful days at the farm. That was a golden time with us across the field at Larson's. Thunder was always one of the best horses. I remember both your mother and father with their quick laughter. They enriched not only your lives, but many lives. My deepest sympathy to all of you.*
