“ Nick will be missed; and those who truly knew him; knew him as a patriot. “A Veteran Is Someone Who, at one point, wrote a blank check made payable to ‘The United States of America’ for an amount of ‘up to and including their life”. That is Honor, and there are way too many people in this country who no longer understand it. Thank You for serving our country long before we crossed paths.

“ Farewell Sailor. Good winds and following seas. You were a true Patriot and a great friend! Well miss you, your laugh, your insight, your jokes, but your spirit remains with us always.
