“ I was sad, to hear that Dr.Leech passed away. He was my grandparents dentist, and my moms, mine and my brother and sister, at some point in time. I haven't talked to him, in a long time, but I knew he was there.I will miss him, very much.

“ I was sad to hear about the passing of Dr.Leech. I was a patient of Dr.Leech's, off and on, for around 50 years. I was 5 years old, when I met Dr.Leech. He was also my children's dentist.My children are grown,now.I will miss Dr.Leech. I didn't stay in contact with him,after he retired, but my dad would tell me, when he talked to Dr.Leech, by phone. Dr.Leech always had something funny to say. Our hearts go out to his family, and they are in our prayers.

“ Dr Joe always had a kind word for every one. My grandchildren ages 3 to 7 Loved him dearly and always had to go shake hands with him after church. My daughter, Eva Fegarido, has photo of her little girl that she keeps in her Bible. One he took during church as she was looking over the back of the seat at him. I am so sorry for your loss.
