“ Randy & Linda,  
We're deeply sorry to hear of your loss, it's especially hard to loose your mother even when they've lived a wonderful long life. We've been in VBS and unable to attend the visitation. We may not understand what you're going through, but we wanted you to know we're here if you need help with anything or just to listen. You're in our thoughts and prayers.

We were heartbroken to hear about Aunt Josie's passing, but know she is in a better place. Both she and Uncle Richard were some of the sweetest, kindest souls we have ever known and know they are happy to be together again.

Our thoughts and prayers are with you during this difficult time.

“ Sheri, Doris, Randy, and Don and all her other family,

*I know it will be hard for you to not have her sweet face to see whenever you want to.. that is one of the hardest things when your Momma is gone and no more phone calls but if you could make a call to where she is it would be to Heaven where she has longed to be for a while now... you know you dont have to be sad for her anymore just for your loneliness for such a sweet soul as she was.... and thank the Good Lord you all know where she is and that you can see her again one day.... many hugs and prayers for each one of you....i loved Momma Josie!  
i was one of her red headed step children from down the street....*
