“ John and family, We are so saddened about the loss of your mom and grandma. She was a very strong woman and by your stories we know she lived life on her own terms, which is something to be very proud of and which few people do. While there isn't any way of understanding why these things happen, we hope you find some comfort in the knowledge that she's at peace. As you move on, please know we are thinking about you. We are grateful for the presence of your family in our lives. Sincerely, Tadd, Emily, Madeline and Hannah Johnson
