“ Joy,How's Heaven?This the second time I've this.I hope this takes.I've been crying since Jarret n Jessie gave me the news.I couldn't believe it.I just finish walking by the house on 3000 Truman St.I new in my spirit you were already in Heaven.It was on a Friday or Monday, because I couldn't get in touch with you.I know Mom n Dad n Jesus were there to welcome your arrival.I'm so happy,but also so sad.We grew up together from babies to adults.You were so good to me.You were there when no else was.You were the image of Mom.You were a beautiful Angel on earth.I shared memories of you that go into infinity.Every time I think of you I smile.I agreed upon every thing you did.I know I'll see you again baby girl.My email add. is smithphilip399@gmail.com I can't stop crying.I'm always looking to the sky.I'll continue to write to you.Because I know you hear me.Tell everyone I'll see them soon.I love you with all my heart !!!!! “ *Justin, Jarrett, Jessalyn, and Jenna may the Grace of God always shine through you that your sweet mother Joy instilled upon you all. I have no fear that her legacy will continue through you all and for that I have much peace. I was blessed to know Joy as a neighbor, friend, and hairstylist for quiet a few years. She was the shining spirit of God through her beautiful smile and her subtle way of sharing the word of The Lord! I always felt a gentle warmth when around her. She will be deeply missed and always remembered. I invite each of you children and your families to come visit Larry and I in Florida when you feel you need some rest, relaxation, peace, and soul searching. We live in a very special place that we feel is our paradise on earth and we truly would love to share it with each of you. Our door is always open! We don't just say it we mean it sincerely..... Come visit! We wish we could be at your mothers service but due to previous commitments we are unable to attend but there in spirit. Much love, Julie and Larry Cabot*

“ Joy was the bright spot in anyone's day. She was full of laughter and wisdom and oh so full of Jesus! I grieve for her family and friends today. I know Heaven is Beautifully Bright, but my bet is it got a little brighter when Joy stepped in.

“ Joy was a wonderful friend and sister in the Lord. She was so vivacious, generous and full of love. She was fun to be with and we laughed a lot but she was always eager to talk and pray about the things of the Lord. She was a terrific hairdresser and decorator. I will miss her greatly. She left a place in my heart that can't be replaced. So glad I will see her again one day! Judy Massey

“ My heart hurts for your loss, but I also rejoice in knowing Joy is now a saint, one of God's holy ones, up in heaven. She was a beautiful woman inside and out. I pray that God continues to give your family strength and comfort. That His grace and mercy surround you in this time. In all things give thanks and praises to the Lord Almighty. I'm so thankful that Jesus gave His life, so Joy could have everlasting life with Him.

“ Joy's smile and fun, encouraging words always made my day whenever we were in the same room or church. Upon entering a room, the atmosphere would change with the power of the Holy Spirit and the gift of love! I will never forget the way she helped at my wedding in 2010. She blessed me so much and I treasure her prophetic prayers and godly wisdom! I was also very blessed when seeing how much she loved her family by the photos she posted. I will miss her so much but know she is now rejoicing with the Savior!

*Words cannot express the deep loss I feel over Joy's sudden, unexpected passing! The comfort I have is knowing where she is and that I and all of us will one day see her again. She has been a true friend through the years, and I will miss her, her bright smile, her beautiful ways, and the fun times we had laughing and joking in her little beauty shop! Truly one of the loveliest, most generous persons I ever knew, and a person of impeccable taste and a true Christian!.

*My acquaintance with Joy started as one of her hair clients. Everyone knows she had many talents, and hair styling was one of hers. I appreciated her expertise, but I will miss her most for the way she always made me and all of her clients feel. She was always caring, joyful, and served us with coffee and anything else to make us comfortable. Most every time a hug and/or prayer ended appointments. I will miss her joy and smile so much! Praying for her beautiful family -

*I will truly miss the times I shared with Joy every few weeks when she cut and styled my hair. Love, joy, and a servant spirit flowed from her so abundantly and naturally that it was an inspiration to experience. I pray that God will be so close to you, her family, that He will provide the comfort needed to fill the great void her absence leaves in your lives. Luckily she left bushels of happy memories to share and treasure.*
