“ I have known Roz since 1990. Over the years, we shared many great moments but also consoled each other in tragedies. She was always a great listener. She was so loyal and dedicated to her coworkers, friends, but especially to her family. They were everything to her & she displayed such love & pride over each & every member. Roz was truly a unique & beautiful person, inside & out, pouring her heart into everything she did. There will never be another like her. I pray for comfort & peace for her family & others who are grieving.
