“ I can almost echo the words of Bill Scarbrough on Juanita and Jerry. Juanita, Bill and I began First Grade together at Union City Elementary and continued through High School. I believe Jerry came on the scene in 4th grade and my wife Janice much later. I will always remember Juanita's sweet smile. I will always remember her family; C. A. Grace, and Kenneth. It is gratifying to know that Juanita is in the arms of our Dear Savior and free of all pain. May our Heavenly Father bless and keep you during these times. Larry and Janice Teal, Spring Hill, TN.

“ To Jerry and family, I am so sorry for your loss and the loss of Juanita's sweet smile - I visited her at Southland a few years ago when my husband was there for rehab and was so glad to see her. She was so glad to see me and had that sweet smile she always carried when we were in school and all the class reunions and really enjoyed being with her classmates. She will be missed and know that my sympathy and prayers are with you all. God Bless-

“ I met Juanita when I did my student teaching, and then taught 2nd grade, at Pathway Christian School.

Juanita was such a great teacher. Sweet, kind, loving, firm, and a fine Christian woman. I remember she always had her class make gingerbread houses at Christmas time. Her students loved her and she loved them.

There was never a dull moment around Juanita. She had a way of making everyone feel welcome and could always make me laugh.

Her legacy of love will live on in the hearts of all of her students, co-workers, friends, and especially her family.

Love and prayers for you all

“ So sorry to hear of Juanita's passing. I knew Juanita and family when we were all very much younger and attending Dogwood Hills Baptist Church. She was always a bright light at anything she did. Always a lady. It has been many years since we have spoken and I am truly sorry we did not keep up with each other. I am living in NC and will not be able to attend the services for Juanita. My love and prayers go to her sweet husband and daughter (watched her grow up). Peace and comfort from our Heavenly Father to all.

“ I was sad to see that Juanita had passed. I know that when she did my Mother, Arnelle Morris was there to meet her. They were best friends for so many years. I am sorry to say that I cannot be there to give the family my condolences at this time. Juanita was always such a bright person. I have known her all my life. She will be missed, but she is no longer in pain or in that wheelchair. May all the happy memories help you through this very sad time.
