“ Although I didn't have any recent visits with Judy I can remember her through the years during school and during the early years of adult life. She was a loving individual and she will be missed but we know she is with our Lord and Savior and that is our ultimate goal. God will make her whole again.

“ I am so sorry to hear this news. I had just a few weeks ago got back in touch with Judy. I was her pastor at Friendship Baptist Church in Palmetto, Ga. I actually preached Jodie, her daughters funeral in 1980. Judy was always kind and good to me. I had lost contact with her for a long time. I am sorry that I did not get this news until after the funeral. I know Judy went through so much in her life, but she was a survivor. May she rest in peace with our wonderful Savior Jesus Christ.

*Judy was one of the first I met whenever I married Charles back 55 years ago and moved to Georgia. She was beautiful not only on the outside, but even more so on the inside - where it really counts. Her strength at difficult times was an example to many others, as she gave praise and thanks to God for walking beside her...and often carrying her through those dark days. I know when she entered Heaven's Gates our Lord said, "Welcome Home My Faithful Daughter! Well Done! Well Done!!"*
