“ Judy was my great aunt. I remember being at her house in her rooster kitchen while grandma Joanne and aunt Judy watched there soaps. To say this woman was an angel would be an understatement. I honestly don't think my family would've survived without the help my aunt Judy gave my grandparents. I will also never forget how she is one of very few people who continued to check on me and my siblings when my grandparents and mother passed. I know they are all looking down on us now. My condolences go out to her husband and her children. Rest in peace aunt Judy.
