“ *Mama Judy was the sweetest, kindest, most beautiful hearted person I've known. She was the best grandparent to my little Logan and Destiney. She showed them and me a love that will never be forgotten. She never hesitated to express how much she loved me and my kids and I am forever grateful for her. She will have a special place in all of our hearts especially my little Logan who she not only was a grandma but like a second mom to him. Thank you for watching over my little man. We love you very much!*

“ *Aunt Judy your beautiful spirit and loving kind heart will be missed by everyone who was blessed to know you. Your infectious and joyous laugh will be etched in my memory forever. I'm sure Daddy greeted you into heaven with one of his witty jokes just to hear that wonderful laugh of yours. I'm sure you and the rest of the family are sitting somewhere close to Jesus talking and singing those good old gospel songs just like we use to dd when I was young. Please know that we will keep Johnny, the boys and the rest of the family in our prayers as they walk through this pain and sorrow. May God give them comfort and peace until they see you again heaven. Our loss is heavens gain. We love you sweet angel.*

“ Aunt Judy your sweet spirit will forever live on in those you have left behind. I'll never forget my childhood years spent with you. Those days gone by and the memories made with you have left a lasting impression on my life. I will always love you! I have no doubt that my Daddy, your brother Ray, was smiling big when Heaven's host welcomed you home. I'm praying for comfort and for that peace that passes all understanding to be evident to Johnny, your boys, and grandchildren as they continue in this life without you.

“ Hi Gorgeous it's me Beautiful (that's what we use to call each other) when I talked to you last week I never dreamed it would be the last time you were feeling better and we had a few laughs, I loved you so very much and I can't imagine how Johnny and the boys feel. I know you are at peace now and not hurting. My prayers are with them but I know you will be watching over them.
