“ *Tom,
Having lost both of my parents in the last seven years, I know what you are going through. The blessing we have is all the wonderful memories they have left us. That is the most important thing we can leave our children when it is our time. My thoughts and prayers are with you and your family.*

“ *Dear family,
I will miss Arlene tremendously. We spoke on the phone on a
regular basis and hugged all the time at church. Although sad at her
leaving this earth, am pleased to know she is at peace, without any
health issues to be concerned about.
I loved her.
She is with Bob and her Lord now.
May our Lord Jesus Christ comfort each one of you now and in the
days ahead.*

“ *Dear Cheri and entire family,
I am sorry to hear this about your mother. She was always the
sweetest thing and had the most fun with everyone at the volleyball
games. Don't you know both your mom and dad are having a
wonderful reunion !! We love you much !! The Farr Family*

“ Dear Family,

I wanted to add that Arlene was such a sweet, loving and kind lady who loved the Lord Jesus Christ with all her heart. When we spoke on the phone, we talked about numerous things including how much she loved her family. She would share with me all the different things her grandchildren were doing and you could hear her voice get excited.

So, rest in the knowledge that she loved life and you!!
