“ We have lost a GREAT MAN in J-Mock. He had an amazing impact on many!

As Coach would always say:
"Hey, Wha-da ya say!"

He will be dearly missed!

“ So sorry to hear of your loss. I remember how gracious the Mocks were to open their home to Terry's friends throughout the school years. It was a true privilege as a student at North Clayton to have worked under his leadership and guidance. There is no way to measure the number of lives he impacted through the years. The family will be in my prayers as you mourn his loss yet celebrate a life well lived. "Well done thy good and faithful servant...enter into the joy of thy Lord."

“ *“Coach” Mock was my high school history teacher at Southwest High in 1956 or 57. Many years later I enrolled my oldest son at N. Clayton and to my surprise “Coach” was now Mr. Mock and principal, a fine man who helped many children.*

“ A great coach and teacher. Fifty years later, I can still remember and feel the thump upside the head in mechanical drawing class for not paying attention. Coach Mock is a fond memory from the good old days!

“ In 1968, Julian hired me just out of college for my first teaching/coaching position. Over the next several years, he hired me 2 more times. I will never forget the third time, he said "this is 3 strikes and you know that's all you get." If you knew Julian at all, you know you did not talk with him long without a reference to baseball. What a great boss to work for as well as a mentor/role model to learn from.

Sincere condolences to Dot, Teri and Alan. What great memories of a wonderful husband and dad.

“ What a life he led, what an impact he had on all who knew him and what a legacy he leaves.

I will miss his smile and chuckle as he greeted everyone on Sunday mornings. I especially loved the long senior adult bus trips that allowed for hours of baseball talk.

Mr. Mock will be sorely missed but never forgotten.

“ A great coach, teacher, and man who led by example and Christian principles. You taught me much about 3 sports, especially baseball. It was a pleasure to learn about the round ball game as well as how to be a better man. The memories of the Murphy years will always be with me. Hope I am on your team in Heaven.

“ I was a 1974 graduate of North Clayton. Having transferred over after 8 yrs of Catholic school, I often found Mr Mock challenging. I think we found our debates to cause both of us to grow in tolerance and in education. He was very helpful during times I recovered from spinal surgery & worked well with my father to insure I never missed a lesson. He made me grow & I appreciate that. My sincere condolences to his family.

“ On behalf of the Perry family I want to send condolences to the Mock family. I am a 1963 graduate of Murphy High School. My family was fortunate to be friends with the Mock's, and I was around him most every afternoon since I played basketball. Even though he was never my coach, he mentored myself and so many others he never coached or taught. He just seemed to know everyone, and his sweet smile was contagious! He will be sorely missed.

“ I am of the Class of 1966, Murphy High. Please forgive any errors I make herein.
I knew him as Coach Mock. I heard only one or two teachers call him Julian. He taught (me) World History and Drafting. He coached me in B Team Football (only the 10th grade – have no recollection as to the 9th grade). To me and I suspect others, he stood above the other teachers due to his phenomenal success coaching Murphy’s baseball teams. With that stature, he commanded respect from the students, but he didn’t seem to take any special note of this. He was reserved, discipline in class was assured, and he had a quiet sense of humor. I enjoyed his classes. I do not have any strong memories of his coaching us, but all memories of him are favorable. That B Team, like many others before it, was a very good team. We wanted to be a good team for him, not just for ourselves. It may be inappropriate to say this, but I believe that God will just need to be fair with Coach Mock. Coach Mock will not need any mercy. He was a very good man. God bless and comfort all those who grieve for Coach.

“ In 1976, I married Wayne Graves and then transferred from Riverdale Junior High to North Clayton High School where I taught one year for Mr. Mock. As a principal, Mr. Mock was very beloved by teachers and students. He was a kind man with a delightful sense of humor. Mr. Mock supported his teachers and made every day a good day.

“ To Dot and family, My sincere condolences in the loss of Julian. A friend recently saw me conversing with Julian and Dot on FACEBOOK, and asked: "How in the world do you know Julian Mock?" I replied: "He is a sweet man I see walking around at my church, Flat Creek Baptist." She went on to tell me how he was principal at her high school years ago and what a wonderful person, and mentor he was to her. In reading all the other kind words about him, a lot of people feel the same way. And I've noticed on his Facebook page, people are always thanking him for making a difference in their lives. What a wonderful legacy he has left you with. Reminds me of the song "Thank You." by Boltz Ray. Many in Heaven are thanking him today. And oh what a blessing it will be when Dot and his family will be united with him there. Praying for all of you to feel the warmth of our Savior's love, that only he can give, in the days ahead.

“ I think Ben Franklin said it best:

Philadelphia, 23rd February, 1756.

I condole with you. We have lost a most dear and valuable relation. But it is the will of God and nature that these mortal bodies be laid aside when the soul is to enter into real life. This is rather an embryo state, a preparation for living. A man is not completely born until he be dead. Why, then, should we grieve that a new child is born among the immortals, a new member added to their happy society?

We are spirits. That bodies should be lent us while they can afford us pleasure, assist us in acquiring knowledge, or in doing good to our fellow-creatures, is a kind and benevolent act of God. When they become unfit for these purposes and afford us pain instead of pleasure, instead of an aid become an encumbrance, and answer none of the intentions for which they were given, it is equally kind and benevolent that a way is provided by which we may get rid of them. Death is that way.

We ourselves, in some cases, prudently choose a partial death. A mangled, painful limb which cannot be restored we willingly cut off. He who plucks out a tooth parts with it freely, since the pain goes with it; and he who quits the whole body parts at once with all pains and possibilities of pains and diseases which it was liable to or capable of making him suffer.

Our friend and we were invited abroad on a party of pleasure which is to last forever. His chair was ready first and he is gone before us. We could not all conveniently start together, and why should you and I be grieved at this, since we are soon to follow and know where to find him?

Adieu,

B. FRANKLIN

My condolences to you and your family.

Mr. Mock had a profound impact on my life as a teen in school, probably more so than anyone else besides my parents. He was a good, kind, decent, fair man who cared about everyone and wanted to see them better themselves. He was "one of the good ones." He will be missed.

“ I was only at MHS for 1962 but one could easily see all the coaches were held with respect and love. Coach Mock befriended everyone and especially those in athletics. I know he will be missed greatly. I didn't have him as a coach my one year. It is with much sorrow and condolences to his entire family and especially his wife of 64 years, Dot. Coach made it to as many events as possible the past few years and was loved by all. RIP
