“ *I am praying for Julianne's family - especially for her precious Mother. My daughter Edy came to know Julianne in Columbus and she told me yesterday of Julianne's passing and how it had impacted her. What a beautiful soul - clearly she was a shining light to others in this life and her presence will be deeply missed. May the Lord comfort your hearts. I look forward to meeting her some fine day on Heaven's shores.*

“ I got to know Julianne over the COVID lockdowns as we met in the online game Overwatch. My wife Emily and I became fast friends with her, and during those trying times we spent hours each day hanging out in voice chat on Discord, playing games or watching movies. Though we only knew her for a few short years, Julianne became a warmth in our lives who will be sorely missed. Her dry, often dark humour always left us in stitches; and we commiserated about everything from work, to philosophy, to love, and beyond. We love you, Juju, and will miss you terribly.

“ We first met you in our Sunday School class almost 30 years ago. Once a tiny and sweet little girl, you grew into a beautiful and sweet woman. I have always considered you my second daughter. Our hearts are broken but I know you are in a better place. So many you have loved have passed that I can only imagine the beautiful reunion that is taking place. Until we meet again beautiful one, all our love Rick, Lynda, Lauren and Matt
