“ When we came to Discovery Point, Emma would cry, I mean wail, everytime I left her. But God sent us Kara and she took Emma every single day for almost two years and calmed her down when we came in. Six years later she did the same for Elliott. Along with Anne and Candi, Kara was extended family. I am sure she did the same for many other families. She will be greatly missed and thought of often

“ Thank you, Kara, for loving Welch Elementary School and supporting all that we did for your babies, Alexia and Kevin. You were a light for us as you volunteered and came to every event possible. There was never a harsh word spoken out of your mouth and your love for ALL children was amazing! You fought the good fight and I know that God is pleased with your work. Kara Crawford, you shall receive many jewels in your crown. I love you and I will always love your babies! I wish I was there to give Lexi and Kevin a big hug - they are my heart.
Love, Becky Darrah
