

## Karin Burschet Quidort

December 31, 1959 - February 18, 2026

Karin Burschet Quidort, born on December 31, 1959, passed away peacefully on February 18, 2026, at the age of 66.

Karin's life wasn't defined by ease or perfection, but by resilience, love, and a quiet endurance. She may be gone, but the depth of her love, the strength she showed, and the compassion she gave to people and animals will always remain. At the center of her heart was her daughter, whom she loved beyond words. She found comfort and joy in the simple, beautiful things, especially in animals. She also carried a deep love for her homeland of Germany. It was a part of her identity, her memories, her story. She will be remembered for her strength in the face of adversity, her capacity to love deeply, and the quiet grace with which she lived.

She is preceded in death by her cherished daughter, Nicole Burschet. Her memory will be lovingly carried forward by her ex-husband, Michael Quidort, Jr, and her siblings, Angelika Schoenmann, Mandy Fisher, Dieter Burschet and Eric Burschet, along with her nieces and nephews who will forever hold her in their hearts.

Karin's warmth and kindness touched the lives of those around her, leaving behind a legacy of love and cherished memories. She will be deeply missed by all who knew her.
