Kathryn was one of my coworkers for many years. She was such a delight. Always had a funny story/experience to share. I smile when I think of her. She will truly be missed.

*Kathryn and I go way back. First as co-workers at West Georgia Equipment Company and then Fulton County Board of Education and for many years Palmetto friends. She was a wonderful, kind and thoughtful person. I remember so many of her funny stories, including the one that she cut off the head of her son's pet snake by mistake. She loved the Lord, her family, her church, friends and animals. Robert, I know you will miss your beloved wife but one day you will see her again.. May God help you through this time of sadness.*
