“ To the Stewart Family and Coleman,  
May the grace of God keep and support you during this time of loss. Kathy was not only a great friend of my sister's but a friend to our entire family. She was a great lady full of love and Joy. She was one of the only people I ever knew that could do "anything"....and if by chance she couldn't do, she knew someone who could. We shared many good times, lots of laughter, good food and always a cup of coffee. Her presence will be missed but her spirit and the memories will last forever.

*We loved Kathy and we love you all and will be there whenever and for whatever you need.*

“ Coleman and Family, my deepest condolences for the loss of your mom. Your mom was not only a co-worker, friend and confidant to me I cannot express how much she will be missed. I have so many memories I shared with your mom, she was truly a great friend. You meant the world to her and nothing made her more happy than telling stories about you! I will miss our conversations and hearing her laugh ( I can hear her now as I write this). I hope you find solace in knowing she is in a better place and loved by many !!

“ To Mr. and Mrs. Stewart: Thank you for the gift of such a wonderful daughter. I was truly proud to call her my friend. She was the best person I've ever known. Coleman you know how much she loved you and I am grateful for the many occasions we all shared together. She will always be with you and I will always be here for you. I pray that God will wrap you all in his loving arms and in time get you through this.

*Kathy and I bonded over love of God, our sons, speaking our minds, and a love of cooking and entertaining.*

*We spoke almost daily and were always making plans. I am grateful for the time we had. I will always remember when she was home during her illness, we spoke every night between 2AM-4AM. We had visits and I got to spend time with her on her last day on earth. What a blessing! Heaven needed her but I sure miss her.*

“ *Kathy was and will always be my daughter's (Angela) best friend. My family loved her too. She was so loving and caring, so smart. She knew how to do any and everything and didn't hesitate to show you or help you get it done. I remember her buying lunch for a couple of soldiers just to thank them for their service. She was so special. We love and miss her more than words can express.*

“ On behalf of the Safety team at Cascade Steel, we all are saddened by this news and wish to pass on condolences to the family. We talked about Kathy today and all commented on her ability to tell it like it is. She had a lot of spunk and she had more guts than many people have - including men. We didn't get to see her much, being on the west coast and all, but whenever allowed to come our way, we had a good time! We sure enjoyed her laughter and hugs. She was easy people to get along with and fit our team well. And we can't say enough about how she gushed over her children. Truly a proud mama.

So if I may, offer a toast and a smoke to a lady who saved lives and loved her children! It's hard to beat that combination in life. Salud Kathy!
