“ We are so lost without you here. You were the glue to our family. We love you so much. Samuel will always know who you are and how much you love him. Dad, George, John and I are making your service so beautiful. Thank you for showing me what it means to be a strong woman and a loving grandmother. ♡

*Kathy you will never know how much I love you. I am so broken hearted right now that I can't think straight. Seeing this beautiful picture of you and all of the others has taken me down memory land and so many tears. George and the kids are so upset and it is ki killing me knowing that another piece of my heart is gone forever. I promise that I will always keep a check on Big George and Lil George, Julian, and John. You kept your family as a #1 priority like Mother and Daddy always did. I will love you forever until I see you and Mother and Daddy again one day.... All of my love with what's left of my broken heart❤️

*George and family, this is Wayne, Kathy's cousin, so sorry for your loss my dear family. Please be assured that as Jesus Friend Lazarus, though he was dead, Christ referred to him as having "fallen asleep". John 11:11-14, 25 Jesus then proceeded to "awaken" him. Kathy has the same hope as Lazarus, just look forward to her loving arms around you and all her family on the new Earth. That is our hope, that is what we look forward to, that is what our God holds out to us, precious Life in Paradise forever in perfect health on his wonderful new Earth.

*Dear George, George Jr., Julia and John, I am so sorry that you had to lose your wife and Mom. She and I have had many memories over the years - they all came rushing back to me over the past couple of days. Lots of laughs for sure! I love the pictures! Wayne (my brother) is right about the hope we all share. Kathy knew and believed this too. What a beautiful future we can all have together. Love, Jenny 'Huff' Harris.*
