“ My sweet Aunt Kathy! Words can't explain how brokenhearted i am. You were one of my favorite people on earth, my day 1. You just always accepted and loved me so unconditionally. That's just who you were. I know my Momma (your Aunt Moody) was there to meet you with open arms, she missed you i know. There is way too many memories, but just know, i got them. Making my dresses when i were little, my little scrub a dub dolly, for the vacation you took my youngest daughter on to the Ninja turtle costume you made my grandbaby! Thanks for EVERYTHING. The world was a better place while you were here. I will miss you terribly. Love you more than bacon!! Your Roro

“ Kathy always had a way of making you want to be and do better. She taught me how to put on makeup and very “lovingly” taught me how to do backflips off of her diving board. lol She was and always will be one of my favorite people ever! So blessed to call her my cousin. Love you, Kathy. ❤️
