“ Mom,

There are no words that can describe how much I love you. I will miss you terribly. Not only were you my mother but also my best friend. I already miss talking to you every day, cracking jokes and hearing your voice. You've taught me everything I know about being a strong woman and for that I am eternally grateful. Though I am absolutely heartbroken that you are no longer with us, I know you are in a much better place free from pain and suffering.

Until we meet again Mommy. Love Always your baby.

I remember many sleepovers & getting to meet some of her family & going to Six Flags together. I will always remember her kindness, laughter, and non-stop energy.*
