

Katie Andrews

February 7, 1997 - February 26, 2025

Katie Nicole Dale Andrews, affectionately known as "Katie Bug," passed away on February 26, 2025, at the age of 28. Born on February 7, 1997, Katie was cherished by all who knew her.

Katie had a vibrant personality and brought joy to everyone around her. She had a passion for life and loved spending her time watching some of her favorite television shows, including COPS, Andy Griffith, and Wheel of Fortune. Her laughter and enthusiasm for these programs were infectious, bringing smiles to those who shared those moments with her.

She is survived by her loving mother, Linda Adair, and stepfather, Michael. Katie shared a special bond with her sister, Savannah May, fondly called "Savannah Banana," and her brother, Patrick May. Her grandparents, Tommy Sills and his wife Betty, as well as Jimmy Adair and his wife Amy, held a special place in her heart and provided her with love and support throughout her life.

Katie will be remembered for her warmth, her sense of humor, and the love she freely gave to her family and friends. Though her time with us was all too brief, the memories she created and the joy she brought into our lives will remain forever cherished.

Her spirit will live on in the hearts of those she loved and who loved her.
