“ Remembering you and your loved ones today and always. We went to school together from first grade at M P Word through graduation at Campbell High School. We shared many activities and memories. I enjoyed a wonderful childhood and I am glad it was shared with you.

“ Kay was an inspiration, the strength she showed. After Bobby passed away and my husband was dealing with cancer, I had a nice visit with her. We shared good memories and the bad ones, we had to deal with. She gave me a CD of Bobby singing, that was uplifting for me. She is now with her beloved, Bobby.

“ Kay was the sweetest and dearest “sister by choice” we could ever ask for. She was a very giving and loving woman. She’s endured a lot in her lifetime but still the strongest woman we’ve ever known. We will miss you dear Kay but we know you’re in no more pain and happy to be with your family. We will love you forever! With love in Christ, Danny & Becky McHugh

“*Kay has always been a very special person. She was a friend who always let you know that she truly loved you. She was always smiling. I have known her since she was in high school and there was never any doubt she loved her family with all her heart. She will truly be missed and to each of the family members left just know that you are in my thoughts and prayers.*

Kay, I met you and Bobby & baby Lisa in approx. 1977. Fred met Bobby and told me how much he enjoyed spending time with him and playing Country music or any kind...he could do it all. So, soon after I had the privilege of meeting you all. We were together almost every Fri. night as soon as Fred would come home from his business trips and I got off work at Richmond Lumber Co. Away we would go to Bobby & Kay's to celebrate the end of the week. AND, you cooked supper for us...OH MY WHAT A COOK and Salad maker. We loved you all 3 so very much. I would get on the floor and play with "Little Lisa" and giggle and crawl around until you Called us to the Table. THANKS for WHO you Are...I love you so very much. Give Bobby, Lisa and your Mom & Dad a hug for me...Oh hug Fred too. I feel sure he was waiting on you also.

Kay was just a Special Lady. She went through a lots in her lifetime with so many losses & so many health problems but no matter what she was going through, she was always concerned about you. I know now that she is at peace & no more pain & she is with God, Bobby, Lisa & her Parents. The Family is in my Prayers & thoughts.
