“ *Donna, We just heard of your sweet mother's passing. Tony and I would love to be there tomorrow but just found out yesterday that two of our family members have come down with Covid. We were all together on Christmas and don't want to infect anyone else. Please know that you and your family are all in our thoughts and prayers. We know what you are going through but God will bless you with your special memories of your mother.*

“ My heart is so broken for my precious friend Donna and her family over this devastating loss. I met Miss Kay many years ago and she was just so sweet. To know her daughters is a testimony to her loving and kind heart because there is no sweeter person that I know than Donna Hulsey Boyd. I have always been in awe of Donna and Jackie and just how loving they are and that is obviously because they were raised by this beautiful loving Mother. Just to imagine that your Mother is in Heaven with my precious parents fills my heart with joy. You are all in my prayers, I have been exactly where you are and it's a sad place to be but your strong faith in God will bring you comfort. Donna, I love you dearly, you were there for me when Daddy passed away and that meant the world to me. Love and prayers 💖🙏🙏🙏💖

“ You'd think Kay and I would bond over her granddaughter and my son. And we absolutely did, but I think we bonded more over her natural sense of fashion. From the moment I met Kay I adored her! Such a beautiful lady filled with grace and love. I will miss her forever. Rest well in the arms of Jesus my dear friend. I love you!

“ I cherish the moments listening and talking with Auntie and Mother as they talked about their lives together. Their memories gave me a history of the Satterfield family and my place in it. Auntie was a fashion icon, kind, loving. Thank goodness we had those years together. As so frequently is the case, wish there had been more.
