“ *Kay, you were such a dear friend to me in school. We had a great time in Typing and Accounting Classes. You were ALWAYS ready with a cheerful word of encouragement and a Smile whenever it was needed by anyone. From what I gathered on our few chats on facebook you were still a fighter and still ALWAYS had a kind word of encouragement and willing to listen and give out SMILES! You will be missed by so many and I do believe that knowing your no longer in pain helps them and knowing they will see you again comforts them. God Bless YOU KAY!*

“ *I am truly sorry for the loss of your loved one. God soon promises to end all suffering in the near future. No longer will sickness or death exist anymore. We then look to the chance to welcome back our lost loved ones, here on earth, under perfect conditions mentioned above. May thr God of all comfort continue to be with the family in their time of grief.-Revelation 21:4, Acts 24:15, Isaiah 25:8.*

“ *I have worked with Kay for many years at Owens Corning and Thank you, her family for giving us the honor to know and care of her. She is and was a wonderful inspiration to all of us here that knew her. Hurts my feelings now to take her phone number off my board where I would call and hear her voice to see how she was doing. I know it doesn't feel like it but her beautiful spirit and smile will be in us all forever. May our Lord and Savior comfort and give you strength in days ahead.*
