“ I am so sorry to hear about your mom. She was a very special lady. While I personally do not remember this, as I was a "newborn", my mom and dad told me the day I was born, they picked your mom up at the end of DeMooney Road and she went with them to the hospital for my birth. Dad said they literally ran every red light between home and the hospital. Dad let your mom and my mom out at the door of the hospital and went to park the car. When he got upstairs to labor and delivery, the doctor quickly informed him that he had a daughter. So your mom was there from day one for me. She will be deeply missed. Love and prayers for all of your family.
