“ My thoughts and prayers to the Jones family during this difficult time. Keena and I were colleagues and friends during my time in Chattanooga, she was always so positive and happy - a true joy to work alongside. One of my favorite memories is when Keena was our district 'Drill Sergeant', she always kept us on task and it was awesome to see the 'Military Keena' come out! Miss you already, Keena.

“ My dear friend I will miss you! To believe we started with Pfizer the same day, went to training together, and then ended up on the same team for years with the same manager! So many fond memories especially when we stayed in Las Vegas for the launch of one of our products! I know you are with our Almighty and you don't have to struggle and suffer with any more pain... You can now rest in peace. I love you my friend. Xxoo
