“ *Although I never met Keith in person, I had the great delight to work with his wife Gail and sample some of his amazing cooking whenever we had a holiday covered dish. The man knew his way around a kitchen and made the most delicious food. I know he was so much more than this to an entire family that loved him fiercely. My heart breaks for Gail, Bre, the grandchildren and extended family and friends. I am so sorry for your loss. - Brenda Mitchell*
