Kelsey, drew this one day at after school. I told her it's amazing and decided to give it to me. This picture is the only art work I still have on my refrigerator. I loved that little girl! ❤️❤️❤️

*“ We had the pleasure of meeting Kelsey & Mckenzie back in March. We were invited to join them and their Grandparents for lunch at Buckners. The excitement in Kelsey as we waited in line to enter was felt by all of us and everyone around us. Her smile radiated through the entire crowd. It was a pleasure sitting next to her at the table as she enjoyed all of her Buckners favorites. A delightful conversationalist too, chatting about the food and all her adventures! A TRUE GIFT FROM GOD! Fly high Kelsey with the wings of an angel now.
