“ Love to the family of this special man, especially Ann and Tim who dedicated their lives to caring for him.

Uncle Kenneth made a difference in my life. Why in his eighties, he made the trip from East Point to Conyers to attend my Dad's funeral.

My favorite memories where of when he took me to the Nascar Races in Hampton with his sons. We always sat in the forth turn grass with great views of the final two turns and the pits. He exhibited great patience enduring us young uns on the long drives and the longer races. He was always kind when dealing with us. Anyway, he instilled a love of Nascar in me that lasts still today. Whenever we talked, which admittedly was not often enough, we inevitably talked about what was going on in Nascar.

Thank you Uncle Kenneth, for your kindness and patience and for all the pleasure I received watching the likes of Fireball, Fastback Fred Lorrenzen, the Alabama Boys, etc.
