“ To all of the Nestlehutt family I wish to send my sincere condolences to each of you. I grew up in the "Stonewall-Tell" area with both Peggy and Kenneth and worked with Peggy for many years at Delmonte. We always share our work and a laugh or two. Over the years we kind of lost touch but I will never forget those "good times".  
Sincerely, Shirley Cochran Andrews

“ I can't even get my thoughts together so I don't know what to say. But Paul (Ken to me) and Patti just know that you and your families are in my thoughts and prayers that our Lord will bring you strength and comfort at this time. I hope you know that Ken and Peggy were very dear friends to both me and Gene.

“ We are so very sorry for all of your family, we know how loved he was! We loved living next to them and becoming extended family with them both, which was so easy to do. Michael would go to the store for them and how they loved his popcorn! I took to making desserts because they both had a sweet tooth and the sweetest personality!  
Peggy would tell me how she missed seeing a light on next door and was always glad to see the light next door when we returned from NY, well last night there were no lights on next door and we were both so sad, but happy for your Mom & Dad together again for ever!
