“ I met him at senoia speedway in the early 90's when i started racing . When I started racing in the sportsman class I bought used tires from him to run on my car because we were not allowed to run new tires . He stood on my enclosed trailer many times & watched the race . We became racing friends . He was always nice to me . I painted their yellow late model one year . I can still hear his voice . I miss him .

My condolences to family and friends. Kenneth is a fine person. Known him and family members since high school. I had the opportunity, few months ago, to speak with him. I was not aware of any existing health issues. He appeared friendly and happy. I am so sorry.
