“ My deepest sympathy to the family....Ken had a warm soul and a joy to be around. He was always there as a co-worker giving out a helping hand. His music skills were enjoyable and fun, had a way of lightening up the room along with his favorite smoke:) Although we lost touch when he retired, he was never forgotten and will always be remember! RIP, Ken

“ You have my deepest sympathy during this difficult time. You're in my thoughts and prayers that God will comfort you and give you peace. I enjoyed working with Ken for over 16 years. He was funny, kind, and very knowledgeable about his work at the Child Support Office. I enjoyed hearing him sing. He was such a show-off. He loved his family and spoke of them often. The grandchildren were the apple of his eyes. He will be missed.
God Bless You!

“ So sorry to hear of Ken's passing. I was a project manager supporting Ken with Child Support. We had a really good working relationship and I enjoyed working with him. He loved talking about his family. I think Ken had a story about any situation we ran into at work.

“ My wife Dianne and I worked with Ken for many years at Child Support Services. We worked together when he was in a local office, and while he worked through many iterations of the computer system upgrades. He was always a pleasure to work with. We last saw Ken and his wife, family and work friends at his retirement luncheon in Newnan. Our prayers go out to his wife, family and friends. I'm sure Ken is singing for our Lord and loved ones who he is now reunited with. Rest in peace, Ken.

“ Ken was my Co-Worker and my Friend. We worked together for many years, in downtown Atlanta, with the \$TARS system (Child Support Enforcement). Ken was a very hard worker and I could always depend on Ken. While my heart grieves knowing that I will never see his smiling face again or be able to share a hearty laugh with him again, I rest assured that he is happy in God's care in his eternal home in Heaven and laughing with the Angels. We will miss you Ken!

“ *To Ken's Family,
My memory of Ken to share with you all --
Ken was full of life, he was smart and had little tolerance for
excuses. He always had a smile , an encouraging word and with a
wink put you at easy in any situation. He always had your back
when dealing with difficult items at work. He was our go to person.
We may have not know him in his personal life but the part of life he
shared with us makes us very sorry to have a lost such a good man.
Please accept our condolences and know that you are in our
prayers. God Bless his soul and May he rest in peace.

“ *Ken.....such a great guy. We worked together and he was my go to guy on just about anything. He took my silly questions seriously and always found an answer or a way to get to what I needed. I considered him a friend. My heart goes out to his family and friend at this time of grief. Please know that Ken left a mark. In sympathy, Rita B. Lang*
