“ So sorry to hear of Kent's passing. He was a neat man; a hard worker; a true Christian brother who had the fruit of the Spirit in his words and actions. I saw him hard working late hours in the print shop at FBA many times when I worked there in another office/department. (missions) (1986-1990) He was always friendly and sharp and got me to think with short pithy statements that always made me think when we would have a theological and biblical discussion. He gave me cassette tapes of John MacArthur's messages on the doctrine of Election from 1 Peter 1 and I will never forget that; around 1986-1990; I will never forget that; as that was one of the first times in the process when I was starting to come to the doctrines of grace. He served on the board of Propempo for many years and we are grateful for his service. May God bless you Rita, and other family members and give you comfort in these times. Love in Christ, Ken and Connie Temple
