“Hi Family, I worked with Keo for many years at the Toto Lakewood Plant. He was a hard worker and he would always offer to help me when ever i needed help on the job and off. Please know that Keo's legacy of a loving heart and his kind spirit will never be forgotten by me and many others who were blessed enough to know him. I am still trying to process his absence in my life and at work. If i can help the family in any way please let me know sincerely Eric Brazil. 404-934-9180 brazileric@gmail.com”
