“ I worked with Kerry at Atlanta Gas Light Co for a good many years. She was not just a true friend but like a sister to me. We loved going to the Braves Game and hanging out. Kerry is a friend that you can't put words to. The best time I ever spent with Kerry was when she took me to my first NASCAR race in Atlanta and meet her cousin Ross from Orlando. Every since thing I have been a fan of NASCAR. Kerry and myself was big fan's of Jeff Gordon. That is only one of the many times we spent together. I could write all day about her and the love she gave to everyone. She will be missed by a lot of loving and caring people. She was a one in a million. Kerry I will always love you and will miss you so much that words will never tell. I love you and May God bless you.

“ I also worked with Kerry at Kroger and loved her dearly. She and I spent many a day breaking down our trucks discussing how we would fix all the worlds problems and then laugh at all the stupidity in our lives. She was a wonderful and caring person and I have thought of her often over the years since she left our Kroger family. My deepest sympathies to her family and friends. She is and always will be in our hearts.

“ *Kerry worked with me at Kroger and we shared many a story and lots of laughter. When she left, it really broke my heart because not only was a fun- loving coworker leaving, but a friend, too. She talked frequently of her family and it was very clear that she loved you all, immensely.*

My condolences to you, her family, for the departing of such a young woman. Our thoughts and prayers are with you all.

“ I will always personally remember Kerry's laugh and her zany sense of humor. She was and remains one of my favorite people to have met in my life! I'm am blessed that our paths crossed as we worked together for a couple of years at Kroger. Her family is equally as special and my heart is heavy for them at this time. But, I also know that we serve a mighty God and I pray for comfort and strength for each of you Watd and Volrath families in the coming days.
