“ I was saddened to hear of Kevin's passing. He was a great guy and I enjoyed working with him. I will miss him. He cared immensely about his customers. I admired his knowledge of hollow metal doors and frames and when I hung up the phone or sent an e-mail, I felt good that he had the right solutions. He was a huge asset to Southern Door and Plywood and their customers.
I wish for peace and comfort to his family and friends.--Roger Hockett

“ It is hard to put into words how saddened I am at Kevin's sudden passing. He and I worked together as I served as a factory sales representative to the Southern Door & Plywood team for the past 9 years. Kevin and I grew close as we worked together and I counted him a friend. He is and will continue to be sorely missed.
