“ *Always funny, generous and outgoing. I knew him in the 70's when we all hung out together at Tom's house (Crumbliis) and parties. I remember we would get together and ride around with about 18 people in his VW. He gave me my first piano for free. I've been playing professionally for over 35 years now and always remember and appreciate what he did for me. Although I haven't seen him for many years I know he brought a lot of happiness to those who new him... Condolences to family and friends.*

“ To the Marton family I offer my deepest sympathies. I watched Paige play softball at Northgate when I was with the Times-Herald and met Kevin who was the scorekeeper for the team. he was a nice man and seemed easy to get a long with. He may be gone but hopefully you will be able to retain the memories of your time with him.

“ Paige, Rachel and Family, I am so sorry for your loss. I know there are no words I could ever speak to make your sorrow less painful, Kevin was a good man. I've known him many years and could always have a good conversation with him. Often I would step into the lead area where he worked and hear him talking about Paige and Rachel. He was very proud of you guys. He will be trully missed. He was one of a kind.
