I remember skipping hand in hand with my best friend when we were very young girls. And wading in the creek for minnows on hot summer days. Time and distance may have come between us but it never diminished the love I had for my first and truest best friend. I am so very happy we were able to connect again and I will always carry her in my heart. RIP my dear friend. I will see you again.

“ I worked with Kim years ago. We worked with at risk youth in schools. She had so much compassion, energy and love ❤️ she was an amazing woman and friend. I am so sorry to hear she has passed.

“ Kim has finished the race and is now celebrating in heaven as we mourn her loss let's also celebrate her life as she would have wanted.
The impact Kim made in the lives of those around her, is a testament to the kind of person she was. I will never forget the sense of humor and wit of Kim.
I am praying for you to find healing through the Lord's infinite love.

“ So sorry to hear of the loss of Kimberly Jane Thompson Jefferson. I worked with Kim for almost 15 years (many as my direct supervisor). I also got to become her friend. She was always there for me as I went through my own hardships. Her smile and facial expressions were priceless. My condolences go out to her family, friends and co-workers. May her irrepressible spirit Rest In Peace.
