*I just was looking at a old photo when I retired from the Air Force in 94. Capt. Ruple was my boss she was on leave getting out of the Air Force when I asked her to be the one to retire me. She said it was her honor, but it was an Honor for me. She was a good friend for the 18 months we worked together.*

*“ Wendy and I just learned tonight that Kim passed away. She and Wendy started work at Southwestern Bell on the same day and became good friends. We didn't do a very good job of keeping in touch after you all left St. Louis, but we have fond memories of the times we spent together. She was a wonderful person with a wonderful person. We are so sorry for your loss. - Rita Duran and Wendy Torri*

“ Kim was such an inspiration to me. Our paths crossed each morning as we ran/walked along Pendleton. Her joyful spirit always brightened my day and we shall miss her. Our pups have a love/hate relationship but we always managed to settle them down so we'd have a minute to catch up on what our grown kids were up to. God rest your sweet soul my friend and send comfort to your beautiful family. Janet and Mike Smola
