“ Over the years I have become to respect and love Mrs. Kim. she was a wonderful women to talk to and I love listening to her when she gave me the talking too I needed. I felt safe talking to her because I knew that I told her would never go anywhere! She stuck up for me when she felt that I was getting the raw end the deal on some situation. I always told her the Megan was my Angel because she knew the aspects of certain parts of my life and Megan was always there for me, just like a sister instead of a sister-in-law. Mrs. Kim always told how proud she was and still of Megan. Thank you for all you done for me, Mrs. Kim... I know that you are Megan angel and so many that love you and respected you! ***Jennifer***

I always respected you and I hope that you rest in peace and be everyone's angel!
