*My heart goes out to the whole family, I just have learned of Kim's passing, I'm so sorry I didn't know it sooner, Kim was such a sweet and beautiful person inside and out, always the same when you saw her, she had a beautiful smile, with beautiful smiling eyes, she will greatly missed by all who knew her, my husband and I have a place on the Lake next door to each other on Bartlett's Ferry in Alabama, and one day she had cooked some chicken with rice casserole and her and Philip came over to bring my husband and I some, It was so delicious, I raved over how delicious it was, she said oh, it's so easy to make! From that time on, every time she would cook it, she always thought of my husband and I, She had a BIG HEART, God Bless Her, may she rest in peace, It was such a shock when I learned of her passing, I know what Philip and the family is going through, for I just lost my husband October 14, 2020 It's so devastating, My thoughts and prayers are with each and every one of you, May God Bless and give you all the strength to carry on, Debbie Couch*
