

Kristopher Sheets

March 20, 1974 - January 15, 2022

Mr. Kristopher (Kris) Allen Sheets, age 47, of Fayetteville, passed away Saturday, January 15, 2022. Although he is gone too soon, Kris lived his life to the fullest and we keep those beautiful memories close to our hearts. He made his presence known with his charismatic personality, an amazing smile, and a warm hug. Kris was also extremely intelligent and excelled at whatever he put his mind to. When he was a teenager, in the 80's, he began understanding computers and software which led to a lifelong career in IT. In his late 20's, he started a VoIP Atlanta Users Group and then a company that brought VoIP phone service to Peru and Costa Rica. Kris then became an IT Engineer and worked on several large cloud storage projects for Coca-Cola and as lead architect for a project with AIG in Singapore. He loved to travel and spent several years living in Medellin, Columbia and Rio, Brazil. He taught himself Spanish and was working on conversational Portuguese. Kris is survived by his parents Eddie & Sharon Sheets of Fayetteville; sister Nikki Tyler & Patrick Tyler (brother-in-law); grandmother Betty Sheets of Newnan; nieces Alexa Echevarria, Madelyn Echevarria; nephews, Max Echevarria and Ethan Echevarria; and the love of his life Mara Verdes, and many, many close buddies and friends and around the world. Those wishing may sign the online guestbook at www.parrottfuneralhome.com.

A Memorial Service and Internment will be held at Westminster Gardens in Peachtree City on Friday January 28th at 3pm.

Afterwards, our family will receive family & friends at their home in Fayetteville.

“ *Kris came into my life 7 years ago through mutual friends. He was an incredible guy and I am so sad for his loss, and so grateful to have reconnected over the last year. He was full of life, honest, giving and a man of his word. He touched many people in his time on earth and I am thankful for the time we had as friends. My dear friend you left us too soon; you still had so much to give. Cisco and I will dearly miss you, and wish you much peace and comfort in life after death.*

“ *My dear friend Kris, you showed us the meaning of real friendship. You welcomed everyone to your home and in your life. Always happy and always smiling you were generous to everyone. But life had other plans and although you were gone too soon your memories live on in each and everyone of us. Rest in peace and one day we shall see you again.*

I have fond memories of how passionate Kris was about exploring new places, but more about how he enjoyed connecting with people and cultures. I had the very good fortune of exploring the neighborhoods of Buenos Aires with him. My sympathy goes out to his family and loved ones. Rest in peace, kind Kris. Photo is in San Telmo, BA, Arg.

“ Sharon, Eddie and Nikki, you all came into my life when Kris and Nikki were babies. I have loved you all for all these years because our souls knew each other. I have loved you each for over forty years now.....oh, how old that makes me but Kris and Nikki are “babies” and he had no business leaving us so soon but I know he is traveling across Heaven just as he traveled here....at a high speed soaking up every new experience and loving every minute of his new “life”.....he waits for all of us. I love you all. It will only get better as we grow closer to him.....I love you all.

“ Sharon and Eddie, I remember Kris as a child. He was age between my two boys. I've heard nothing but good things from the family and I know you were so proud of his expertise in his field/occupation. I lift you up in prayer that you shall receive the peace only our Lord and Savior can give you in the coming days. Cherish your beautiful memories of him in your lives. I love you.
