“ We met Kyle and Nancy in 1983. We began as next door neighbors, but quickly became good friends. Kyle and Gary loved playing softball and golf and were the biggest "kids" in the neighborhood when it snowed! Even though we moved in different directions, we still spent every Christmas Eve and New Years Eve together. Having lots of fun playing games and watching movies. Boy, we laughed so much!! Unfortunately, we haven't been able to be together in the past couple of years and we truly missed it. Kyle, Nancy, and Josh are more than friends, they're family. We love all of you and share in your heartache.

Dear Nancy, I'm so sorry to hear of your loss. I pray God will give you peace during this sad time. I remember you coming to Jerry's funeral with our past "dinner bunch" and I loved seeing you again! Know that I'm praying for you and your son.

I knew Mr. Marsh through Palmetto Elem. Worked several field days with him. The kids adored him and you could see that he enjoyed working with them. Please know that our thoughts and prayers are with your family.
