“ *Lana you created the three people I love the most. Thank you. I wish you knew Helen. I love you for the joy you brought to them. You have four silly girls. The world is so lucky. Rest well. Thank you for who you've created; I love you for it.*

“ *I'm so very sorry to hear this. Our children were about the same age growing up in Senoia — we'd get together and complain about night shift at the hospital. My thoughts and prayers are with the family. Susan Wade*

“ Lana had such a good heart. As her brother-in-law, I was witness to her love for her sister Laurel which was unconditional, pure. Lana listened completely. Lana was generous and gave without expecting anything in return. Lana was such a large part of what was good in our lives. We will miss her greatly.

“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.

“ I am so sorry to hear of Lana's passing. I worked with her at Southern Regional. She was always a lot of fun. And a good cook too (she brought food and made things for us to eat for lunch. Her guacamole was especially good. She loved her family, talking of them frequently. I'm sorry I lost touch with her. May God comfort her family during this time of grief.
