My love and hope for comfort to Larry and his family. To Eloise especially. Larry was a special one. You knew when you met him. We all grew up on King Dr all those years ago. The Weavers and the Hagers were one on the first on that dirt road. I loved visiting the Weavers with my sister Becky. Not so much when the one of their big pigs got out of the pen one day though lol. This huge Pig was making its way down to us in the front yard and I'm like.. what do I do? I froze. Larry said "Run!" I'm like which way? He yelled go to the trampoline!!! Mind you he's younger than me 😊 We jumped on it and we watched as this pig squealed and rooted around us lol I was petrified!! Thank goodness Mr Cecil came out and got the pig to go back up the hill to the pen. Larry had saved me! ! Lol he guided me to trampoline in the front yard! He saved me! It was all a blur!! He was saving people even back then.. He's helped so many people in his life and put them on the upward trampoline to our Lord and Savior Jesus Christ. It's been a long time since I've seen Larry and there were long times in between In our lmeetings in our life. But I can tell you something. He was as good a person as the last time you saw him. Children and Grand Babies and In Laws and extended family and Church family. God has welcomed a very special one into his arms. It was a privilege to know him even though it was from afar and infrequent meetings and as our time as children. God bless you all

“ My heartfelt condolences and prayers to the Weaver family. I feel as though I’ve lost a member of my family. But in reality I have. In 2018 I had the honor to meet Larry and after about an hour of sharing our story about how we gave our lives to Christ...Larry became my brother in Christ. Recently I had a problem with the tire icon light appearing frequently on my car dashboard. I dropped by Fairburn Tire to get it checked for a possible leak. As I was waiting Larry was coming from across the street where he parked his car and when he saw me standing there he gave me a big hug. When it was time for me to pay for the patch on my tire the young man said “no charge.” I knew Larry had told him not to charge me. This may sound minor but it was truly a Blessing, because at the time I didn’t have enough cash on me to pay for the service. We need more people in this world like Larry.

“ Lived in Fairburn maybe 15 years and visited shop maybe 10 times. One thing that happened while I was there once, I will remember for the rest of my life. Larry was working on my trailer and a guy walked up crying. Larry immediately walked up and started praying with the guy, without even knowing what was going on. I was initially upset because I had been there awhile, lol. But once I saw what was happening, I couldn't help but to join in. Great guy and I'm sure he'll be missed by many!!!

“ My precious Larry, I remember well when he came to Douglas County Sheriff Department to minister in the chapel. His testimony was so pure and told of how Jesus can take a person out of sin, clean them up and put their life on the right road. Before long upheaval was the most requested minister. He came to me and said he didn't know much about being a minister so I told him I had been there, at that time, 20 yrs so I would help him. That's when I became "Mama" to this precious man. That's one of the biggest honors of my life. There's very few that have the love and generosity that this man had. You're forever in my heart Larry, love Mama

“ I'm so sorry to hear of Larry's passing. Our families lived on Kings Drive in Douglasville many years ago. Eloise was one of my mom's very best friends. I have very fond memories of playing together with Mike, Deborah, Diane and Larry. I hadn't seen Larry since I was a little girl until my sister, Sonya, passed away in Nov. of 2015. At her burial, I looked up and lo and behold, there was Larry and Eloise. It meant so much to me and blessed me so much! I pray for peace and comfort for Eloise, his sister, his wife, children, grandchildren and so many friends. I know that one day, **BECAUSE OF JESUS**, I will see him again. Hug Jesus for me Larry. ♡♡♡

“ *I am totally at a loss for words. I truly love this amazing man. He pulled me from a very cold and dark place in my life. I will miss the out of the blue phone calls and hearing Larry say "what are you doing Scotty". I wish I could have told him face to face how much I appreciate him and Thank You for being a great mentor to me. I haven't gotten to where Larry tried really hard to get me to, but because of his love and willingness to never give up on anyone, I am in a much better place now. I am forever grateful that God uses a man like Larry to reach those of us who don't even realize we are in a cold dark spot. THANK YOU LARRY WEAVER*
