“ *The Wooddall Family has always been very special to me and to my family. This friendship began with Barbara and Joe. I use to car pool with them when they both worked for the State. I eventually got to know all the Wooddall children. And I knew Peggy when she was in high school.*

The Wooddall's are and have always been a sweet and loving family. We will all miss Laura as we have Barbara and Joe.

Much love and sympathy goes to the family especially to Melissa and Austin. Melissa, you have a loving family to love and comfort you and Austin. God bless you.

“ Our family is saddened to hear about Laura's passing. We are still mourning the loss of our brother, Eddie, who was a classmate of Laura's at Campbell HS. We also lived on Malone Street near Laura and her family. These two were much too young to leave us and we share in your grief and sorrow. My deepest sympathy for all the family.

“ I have been blessed to know the Wooddall Family. You are in my thoughts and prayers as you have lost Laura. Our hope is in the promise that we are given--that life is but a journey leading to that perfect home that God prepares for each of us in heaven. Death transfers us to the presence of the One who loves us most.

“ Momma T. I just cannot believe this. I will always remember your sweet smile and your kind heart. I will never forget sitting on your back porch and just talking about life. You always listened so well and gave the best advice. I have been thinking of you and reminiscing the memories of you today and one thing is for certain: you LOVED your sweet Melissa. I just hurt for her and Austin to be here on Earth without your physical presence but I know they will feel your spiritual presence forever. Watch over all of us down here Momma T. Love you forever. ~RT

“ Dear Laura,
We were such good friend in high school and throughout our adult life. I am so saddened to hear that you are not here to share anymore laughs and memories. You are blessed to have Melissa carry on for you. She is such a good girl. It was so fun to take her and Eric on vacation wasn't it. Love you tons and will miss you forever.

“ I am so sorry for your sudden loss. I was just far enough behind her in school not to have been that close, however, I certainly noticed her radiant smile even then. Thanks to facebook we had become quite the facebook pals...comment here, comment there...mostly on pictures or shared post. Her genuine sweet and kind nature were obvious through these exchanges. My deepest sympathies to your family.
