“ Randy was such a sweet sweet man! My husband worked with him at RTG and he always had kind words and smile on his face. He treated my children as if they were his own grandkids, and spoiled them rotten. Although we are sad to say goodbye, it warms my heart knowing he is in Jesus' arms watching down upon us. We love and miss you Randy!

We offer our condolences to you during this time of great loss. We all know that it is never easy to lose someone we so dearly love. We offer our prayers to you and pray that our Lord will hide all of you in the shadow of His pavilion. We will pray and lift all of the family up during this time. “ It is hard to believe that I will not see you again. It seems just
yesterday when I started in Suwanee and you were the transfer
"master". And even before that back in the Levitz days.

I always enjoyed our conversations when I saw you. I will miss you.

“ *My thoughts and prayers are with your family at this time. Randy was a good guy and a great coworker. He helped build RTG from that awful start in Jonesboro to the huge success it is today. And he will be missed.*

“ *Randy was a good man and a good friend. He was always someone that I respected and shared a lot of good conversations and perspective with.*

Randy was the type of guy that you could call in the middle of the night needing help and he would be there for you... no questions asked!

He is fortunate and blessed to have had Doris by his side through thick and thin. He told me on many occasions how much he appreciated and loved her as his wife and partner!

Randy will be missed by all that knew and loved him!
