“ *Lena was one of a kind...always laughing and smiling. I met her when she began attending the Palmetto Senior Center, many years ago. To know her was to love her...*

“ *Lena was a wonderful friend of my oldest sister, Ethel Davis. They spent a lot of time together and had many laughs and fun times. Ethel spoke of her often and missed her after my sister became debilitated by a major stroke. Lena would call me occasionally to check on my sister. I extend my sympathy to her family and prayers for your comfort.*

*Sincerely,

“ *I often thought about this wonderful lady after relocating back to S C. Both her and her husband were always kind and a pleasure to be around. Ms. Kiker and I shared the same birthday so that made her extra special. Brenda her daughter and I worked together and through her I met her mother. I thank God for allowing our path to cross!*

Sending my deepest sympathy to all. Cherish the many years of memories that she leaves behind. 95 years is a blessing beyond measures. RIP SWEET LADY. I'll never forget you. Lillian Simmons
