“ Carolyn and family, We will always remember Tom for his great sense of humor and patience. Our boys, Tony and Farren so enjoyed the classes they took when you had the shop. You and Tom were always so patient with them and liked to listen to their stories. For that we are truly grateful.

“ Tom was my bus driver for many years and very much respected by me. Undoubtedly he is free from any earthly worries and talking farming with my dad and many others. My sympathies to the family.
